

**Beaverton High School Volunteer Committee**  
**June 6, 2008**

**Present:** Randy Dietrich, Mary Kay Rodman, Christy Miller, Sally Remitz, Lisa Rank, Michelle Mitchell, Marybeth Tyler, Debbie Stewart, DoLorri Nettles, Ellen Kingstad.

Meeting convened by Michelle Mitchell and Lisa Rank. Minutes were not approved as Kathy McCourt was not there and copies were not available.

**Committee Chair Reports:**

Dori has resigned from the Advisory Support position.

**Christy:** Scholarships are winding down for the year. They will meet once during the summer. The scholarship website is available during the summer. Ideas were discussed to encourage student interest in applying for scholarships.

**Mary Kay:** Staff appreciation: The May luncheon went well but could have had more volunteers especially for clean up. Fall appreciation lunch will be catered; \$\$ donations will be requested to cover some costs rather than food donations. The staff really likes the Fiesta theme for the spring lunch.

Discussion of each committee chair keeping a notebook/file that can be passed on to the successive chairs with information on things like staff luncheon, etc.

**Randy:** Website: Open to any suggestions for the website.

[Other committee chair reports: Nothing to report or chair was not present.]

There was discussion of the Volunteer Form that goes out in the packet before school in August. An invitation to the Principal's Coffee should be added, whether it is held during the Vol. Committee meeting in September or October. The website address should be added to the form also.

**Assistant Principal's Report: Brian Curl**

The committee was thanked for the connection we have to the school.

May was a busy month for activities and events.

250 students took 500 AP exams.

A question was asked about how to access the on-line system for checking grades if we have lost/don't know our password. Brian will check and report back.

Senior week went well as did graduation.

Finals week is June 10-13.

Summer construction will make most of the building inaccessible most of the time, except for the main office. Even then there may be disruptions due to power outage related to construction. Summer school will be held Aloha High School rather than Highland Park. Trimet passes will be available for summer school students needing transportation. Summer school dates: 6/23-7/24. Math, Language Arts, Reading, Alg. 1, Pre-algebra will be offered.

Beaver Days will be August 19-20. August 19: Seniors: 8-10 a.m., Juniors: 11:30-2 p.m. August 20: Sophomores: 8-10 a.m., Freshman: 11:30-2 p.m. 15-17 volunteers will be needed for each shift, each day.

Staff positions are still in process of being filled for next year.

Michelle presented gifts to each committee chair.

A card and sincere thanks were given to Michelle for her years of service on the committee.

Meeting adjourned.

[Minutes by Debbie Stewart for Kathy McCourt]
